

Dr. Diane Hamilton

Dr. Diane Hamilton is the Founder and CEO of Tonerra, and Co-Founder of DIMA Innovations. She is a business behavioral expert, nationally syndicated radio host, keynote speaker, and the former MBA Program Chair at the Forbes School of Business. She has authored multiple books which are required in universities around the world, including *Cracking the Curiosity Code: The Key to Unlocking Human Potential*. She is the creator of the Curiosity Code Index assessment, which is the first and only assessment that determines the factors that inhibit curiosity. Her groundbreaking work in the area of curiosity helps organizations improve innovation, engagement, and productivity. Thinkers50 Radar chose her as one of the top minds in management and leadership.

Her work has been endorsed by some of the most respected names in leadership, including Steve Forbes, Keith Krach, Ken Fisher, Dave Ulrich, and Verne Harnish. She is a highly sought-after keynote speaker who has shared the stage with top speakers including Marshall Goldsmith, Martha Stewart, Daymond John, Travis Bradberry, and Jeffrey Hayzlett.

Diane is an experienced leader, serving on multiple BOAs including Docusign, RadiusAI, Global Mentoring Network, Flerish, Restaurant Alliance, TED Wall Street, and LeaderKid Academy. Her experience on boards included working alongside top CEOs from Adobe, McDonald's, General Motors, Yahoo!, NASA, North Face, Oracle, Salesforce, Cisco, United Airlines, Shark Tank's Kevin O'Leary, and many other top brands.

She has been featured on Forbes, INC, Investors Business Daily, First for Women, Investopedia, SHRM, International Institute for Learning, International Coach Federation, HR Virtual Summit, Flerish YOU app (in association with Reid Hoffman), Cross Knowledge (Wiley), Training Industry, ABC, NBC, CBS, and Fox.

Diane has a history of award-winning performance; the creator of multiple behavioral assessments and a Forbes brand publishing course; decades of top-performance within billion-dollar organizations; developer of partnerships; a seasoned professional within education, software, banking, real estate, and pharmaceuticals; an expert in sales, marketing, online training, assessments, curiosity, perception, innovation, culture, HR, engagement, EI, soft skills, networking, influence, and social media.
